Inclusion : Part 3 - Accommodations

(Removing Barriers to Learning in Inclusive Settings)

Wednesday, December 10, 2025

8:30 - 11:30 AM or 12:00 - 3:00 PM

Presented by Barbara Piper, M.A. / TAP Consultant

How **does** one facilitate access to general education curriculum for students with special needs or other learning issues? Developing and implementing accommodations in the educational environment can do just that! This training is one of the TAP trainings focusing on inclusion and will provide an opportunity to explore the following:

- ✚ The legal basis for accommodations
- ✚ The definition of and differences between accommodations and modifications
- ✚ A focused framework for developing accommodations
- ✚ Specific examples of and strategies for implementing accommodations
- ✚ Resources for developing accommodations to support inclusion

The content of this training will assist in educational planning to meet student goals by removing barriers and providing equal access to learning in both the general education and special education settings. This is valuable professional development for ALL educators !

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
