LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

A Review of Existing Evaluation Data (REED) & Multidisciplinary Education Team Meeting (MET)

Thursday, September 11, 2025

8:30-11:30 or 12:00-3:00

Presented by Lisa Oliphant Ed.D., TAP Consultant

This training is designed for special educators, other IEP team members, and diagnosticians working with students across *all* age levels who want to learn about why we need to do a Reevaluation of Existing Evaluation Data (REED) and what is required to be in the REED. This training will include the rationales and the requirements to ensure compliance to IDEA.

- Understand the criteria to address concerns of a newly suspected disability
- Develop rationale to address concerns regarding newly suspected disability
- Understand reasons for submitting a REED
- Understanding if and when testing is required
- If related services are being referred

This training will also cover the purpose/ requirements of the MET report/meeting, including participants, evaluation elements and a look at the implications outlined in the MET and next steps for MET/IEP teams.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
