

Complimentary Professional Development for Educators Technical Assistance Program (TAP)

LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

Educating Students with ASD: The Basics and Beyond

Thursday August 28th, 2025

8:30-11:30 or 12:00-3:00

Presented by Margaret Wood, MA-CCC-SLP and TAP Consultant

Autism Spectrum Disorder (ASD) is a term used to describe a variety of complex developmental disorders, resulting in significant and persistent deficits in communication and social interaction, which impact all aspects of a child's life, including academics and behavior. This workshop will provide educators with an understanding of autism along with a toolbox filled with a wide variety of evidence-based strategies, tips, and tricks to increase your students' communication, social, academic, and behavioral success while promoting participation and independence.

***This content applies to students of all ages, developmental levels,
and areas of need (e.g., ASD, ADHD, SLD, ID, etc.)
in both general and special education classroom settings.***

The PM session is the same as the AM session.

A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
