Join this live virtual webinar for a powerful learning experience designed for anyone who works with children. This session will explore the effects of trauma on student behavior---and provide actionable, trauma-informed strategies to help you respond with empathy, clarity, and effectiveness.

- **Introduction to the Adverse Childhood Experiences (ACE) Study.** Discover how early life experiences impact behavior, learning and long-term health.
- **Fight, Flight, Freeze (FFF) Response.** Understand the science behind stress responses and learn Classroom strategies to help students self-regulate.
- **Learn how to apply Trauma-Informed Framework to the IEP Process.** Learn how to embed Trauma-awareness into individualized education plans and team meetings.
- **Receive an Interactive Notebook with numerous resources.**

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
