LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

## Inclusion : Part 1

Creating opportunities for students with special needs  
to learn alongside their non-disabled peers

Wednesday, October 16, 2024

8:30-11:30 or 12:00-3:00

Barbara Piper, M.A. / TAP Consultant

Inclusion, with respect to special education, means creating opportunities for students with special needs to learn and interact with their non-disabled peers in the school setting, primarily in the general education classroom. This training provides information about creating inclusive settings including the following:

- Beliefs about inclusion
- History of inclusion
- Characteristics of inclusive settings / schools
- Models of inclusion
- Educational approaches to instruction
- Resources to support and sustain inclusion

This training is Part 1 of a 4-part series on inclusion and is applicable to all school staff interested and involved in developing inclusive education settings in elementary, middle and high schools.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
