

# Complimentary Professional Development for Educators Technical Assistance Program (TAP)

LIVE VIRTUAL COMPLIMENTARY PROFESSIONAL DEVELOPMENT WORKSHOP VIA  ZOOM

## Unlocking the Power of Artificial Intelligence (AI) for SPED Practices & IEP Planning

### Part 1 in a 2-Part Series

Wednesday, November 13, 2024

8:30-11:30 AM or 12:00-3:00 PM

Presented by Dr. Michelle Perry, PhD., TAP Consultant

Explore how artificial intelligence can transform special education (SPED) and Individualized Education Program (IEP) planning. This training is designed to empower educators with cutting-edge tools and strategies to better support students with diverse learning needs. Topics Include:

- Enhancing IEP Development: Using AI to streamline goal-setting, progress monitoring, and documentation.
- Improved Accessibility: Using AI-driven tools to create more inclusive learning environments for students with disabilities.
- Ethical Considerations: Addressing data privacy, equity, and the ethical use of AI in special education.

The PM session is the same as the AM session. A Survey will be posted in the zoom chat at the end of the presentation. You must complete the survey to receive a Certificate of Completion. You can join the PM session if you miss part of the AM session.
